

# Gearing up for the show

By CADY ANDERSEN

THE Moree Show is just around the corner with plenty of action set for the weekend.

This year is jam packed with events for the whole family with everything from the famous sideshow alley to pavillions featuring local talent.

Usual events will return like the Moree Showgirl competition, pet competitions and more along with a few new additions.

Anyone who likes a bit of a thrill should be excited about this year's show.

If you like the adrenalin but prefer to sit back and watch rather than jumping on board then the fun will start for you tomorrow night.

The annual rodeo will start at 6.30pm tomorrow night.

Then throughout the show on Saturday and Sunday there will be more.

There will be the demolition derby and this year Australia's first header demolition derby.

A first for this year will be the Toyota V6 HiLux Heroes.

And don't worry there will be plenty of excitement here.

Watch as two lucky winners from our Win a Spin competition jump onboard during one of the stunt shows on Saturday night.

I will also be in the passenger seat for a performance earlier that afternoon to give our readers a first-hand account of the experience.

If you are not into such attractions you can take time out to enjoy the ring events through the days.

There will again be horse riding events along with yard dog trials and more.

As the show again falls on ANZAC Day this year, diggers will be involved with the grand parade and the official opening of the show.

This year's Moree Showgirls are featured on pages 4, 8 and 9 of today's edition.
